Wow. Wow. Wow!

This week the MoveOn team contacted supporters asking for help to raise \$1 million for our final week of get-out-the-vote efforts, and literally thousands of you responded. Thousands!

5,528 to be exact!

If you were one of them, thank you so much.

These moments always remind us of how powerful we are, together. And, honestly, for those of us on the MoveOn staff, it also reminds us how grateful we are to be in this fight with you.

And while the response has been remarkable, we do need to ask you to build on the momentum in these final critical days when we are going all-in to get out the vote. We need another 4,472 donations.

Chip in \$3—or what fits your budget—and power our work in these final, critical hours before Election Day: <http://mvn.to/3fx/8xi2zo>

Thanks for all you do.

Paid for by MoveOn.org Political Action, pol.moveon.org, not authorized by any candidate or candidate's committee. STOP2End

MoveOn: I'm Cheryl Zando, MoveOn's chief operating officer. I rarely write to you, but my heart could not be more full right now.

Last week, my fundraising team sent emails & texts saying we were \$630K short of our goal for the midterms. Within 48 hours, over 2,500 of you responded with donations that wiped out over half our deficit. \$381K to be exact.

The power of MoveOn members and the faith you put in what we can accomplish together is just remarkable.

That said, I am also writing because we still need to close that final \$250,000 gap, and I wouldn't be doing my job if I didn't ask one more time before Friday.

Because, honestly, that \$250,000 difference is a huge gap for us. It could be what keeps Senator Mitch McConnell and the MAGA Republicans out of power. What keeps election-denying secretaries of state from winning across the country. And what stops another Trump coup attempt.

So I have to ask: will you chip in \$3 today to help us close the final \$250,000 gap in our fundraising so we can enter the final stretch of this election season in the strongest possible position? <http://mvn.to/3e8/8xi2zo>
